Point of No Return is pianist, composer, and Luxembourg native **Michel Reis'** third album as a leader, and his debut album on Armored Records. The album consists of nine original compositions by Reis and features Vivek Patel on flugelhorn, Aaron Kruziki on soprano saxophone, Tal Gamlieli on bass, and Adam Cruz on drums.

When speaking about *Point of No Return*, Reis says: "When I compose for an album, I always try to see the project as a whole, from the beginning to the end, almost like a movie director. I compose most of the pieces in the same period of time. I would consider the album to be a suite of pieces that belong together in this specific order. I think about which musicians are going to play my music and that gives me a great deal of inspiration for the sounds and moods of what I compose."

Point of No Return will take listeners on a beautiful journey guided by Reis' always engaging compositions and thoughtful piano playing.
